

Dear Parent,

Greetings from SAI International!!

Launching of SAI ONLINE the complete e-School ERP and App.

SAI International has always believed in bringing only the best to our dear SAloneers. Being the No.1 School of India, we aspire to be leaders in every aspect of the school processes and fulfilling this long-standing tradition, today, we would like to take you through a new world virtual experience. The SAI ONLINE will give you real time information, analytics, progress and growth of our SAloneers both in the ERP as well as the App (both in android and iOS). Our endeavor is to move into totally paperless operations as far as possible and extend this ease and comfort to each of our parents.

As our esteemed founder Dr Bijaya Kumar Sahoo has constantly reiterated, the future of education will be a technology blended one and taking a quantum leap in this direction, we have effectively created a platform that makes available the complete 360-degree growth of your ward, at your fingertips.

In order to gain access to this application, please follow the guidelines provided:

#### **Mobile App -**

Android users - Kindly download the School Mobile Application from **Google Play Store** by searching keyword "**SAI International Education Group**". Once the application is installed you can select the school and login by using your User ID and Password as provided by school.
